

TUNTURI®

Platinum®

DUAL BACK / ABDOMINAL COMBO

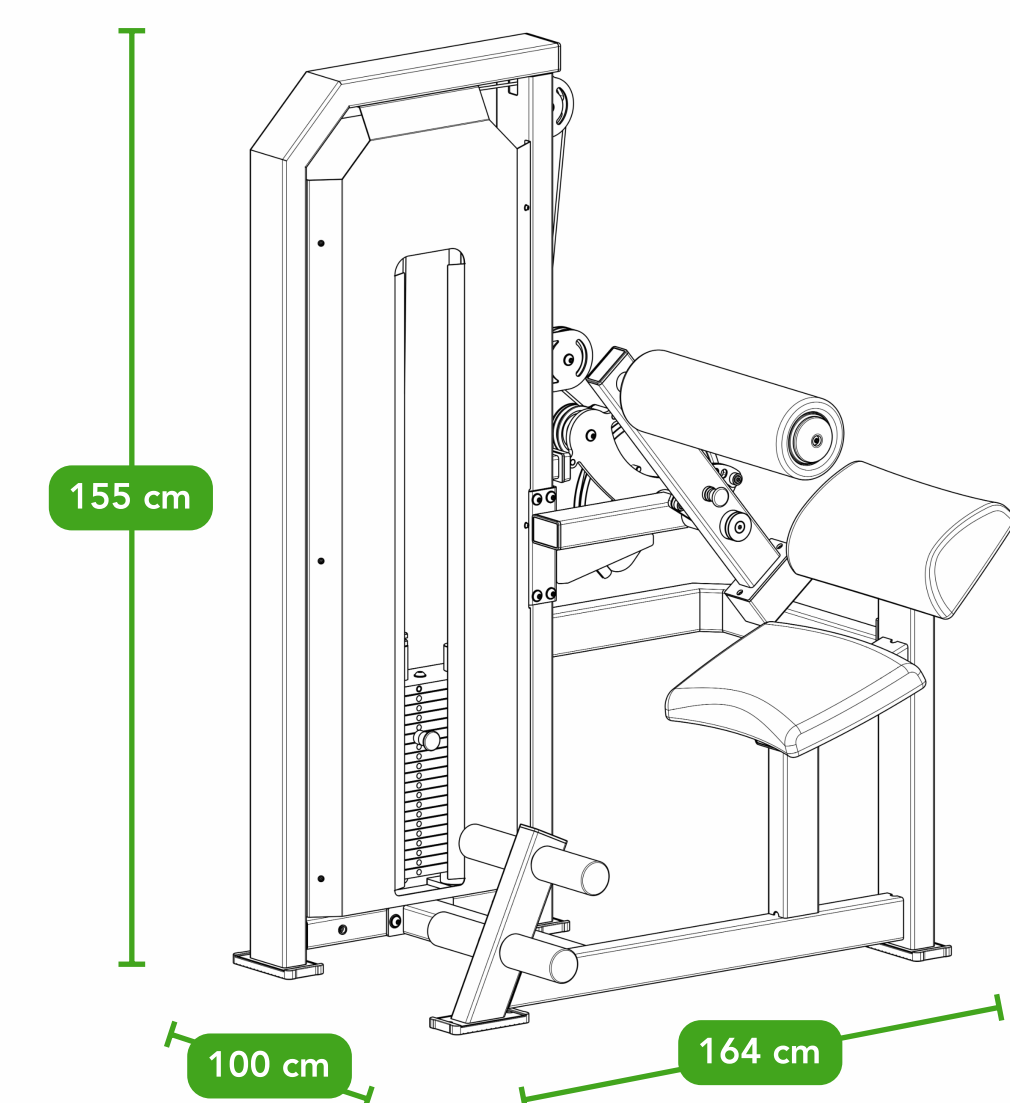

SELECTORIZED - V-SERIES

25PVS24000

FEATURES

- **Two exercises in one:**
Strengthen your abs with crunches and your lower back with extensions.
- **Adjustable ergonomics:**
6 adjustable start positions for optimal freedom of movement and comfort.
- **Powerful Resistance:**
Stack weight up to 120 kg with seamless transitions for progressive loading.
- **Robust and stable construction:**
2.5 mm thick steel, PU cushions, and rubber handles provide maximum support.
- **Smooth and silent movement:**
Nylon-coated cables ensure smooth, shock-free operations.
